Although the course is the same as last year, the staging and registration will be located in South Bend instead of the Round the Bend restaurant parking lot as in past years. The restaurant will be open and needs the parking space for patrons and have asked that we not park there. The staging area is located in the small town of South Bend on Hwy 66 which has an out of business gas station we can use for staging and parking. The address is 103 Nevada St, South Bend, Nebraska.
